We are collaborative, creative, critical thinkers dedicated to success.

Fitzgerald Elementary

From the Principal:

We are already at the half way mark. The third quarter begins this month. Please make sure your homework is done every night. Practice is the way to ensure mastery.

Please remember to continue checking out our Parent Portal site. This site keeps you up to date with your child’s performance in the classroom. Also, our teachers post important information on their Class Pages. If you have not already signed up for your account, please go on line and do so. With your account, you can update your emergency contact information online, access your student’s health record, and view grades.

The weather has been cold. Please remember to dress appropriately and wear a coat. Students who do not have appropriate clothing will not be able to go outside for recess.

Attendance is very important to your child’s academic success. When they are not here, they are not learning important skills being taught. Please make sure if your child is out for illness that you call the office and send in a note for us to excuse the absence. If your child is late to school, please walk them inside the building to ensure they arrive safely.

This year we have continued our focus on kindness and caring. Our school community has completed several service projects to give back to the community. In January we launched a kindness challenge with our students. Everytime our students complete an act of kindness they will receive a link to build a chain of kindness. Our school goal is to create a chain so long that we can wrap it all the way around the building by the end of April. Please talk with your child on ways to do something kind for others and encourage them to earn a link for the chain.

Thank you all for your continued support.

Early Dismissal, Delayed Openings and Closings

If the weather looks questionable, please listen to local radio stations, watch local TV stations, or go to www.pwcs.edu (the county school website) to find out if we are closing early, having a delayed opening or not opening the school that day.

Remember that in case of early closing, we will put our emergency calling plan into effect. Please make sure we have your updated contact information and that your child is aware of the plan you wish them to follow. Remember if School is closed, SACC is closed.

Calling all Fifth Graders:

All specialty program applications must be submitted or postmarked to the specialty schools by February 1, 2018. Information has been sent home from Prince William County about the different programs available. If you are interested in a specialty program, please go to the specialty school’s website and download an application. Applications are also available through the middle school of your choice. Should you have any questions, please do not hesitate to contact our School Counselor, Ms. Richardson for more information.
